

INSTITUTE OF LEADERSHIP & MANAGEMENT LEVEL 3 – CERTIFICATE IN LEADERSHIP & MANAGEMENT

A course for supervisors and junior managers which brings tangible benefits to the participants and to their organisations through applying the concepts taught at each stage directly to the work environment. The course is assessed in a practical manner through work based assignments for which tutorial guidance is supplied. The course is delivered in an interactive way to appeal to a variety of learning styles and to encourage participation.

A variety of assessment methods will be used, including a formal presentation, written assignments, professional discussions, and a work based project report designed to bring about tangible improvements within the workplace.

Course days will be interactive and supported by case studies and role plays to bring the input to life.
